### Weekend Adventure Updates

So far this school year, we've been on two weekend adventures. Our first trip to Delaware featured the Riverwalk festival with 100+ sponsors, vendor displays, food trucks, kids corner, and live bands. The next day, we ventured out for a dolphin tour around the shores of Delaware and a trip to 2 Dips Ice Cream and museum.

Our second adventure took us to the Philadelphia Comic Con, LEGOLAND, and the Shawnee Mountain Harvest Festival. Director Lux, Bill, and the team enjoyed going to LEGOLAND and Dave and Busters with the guys on Sunday after seeing the lumberjack show and Autumn festivities at the Harvest Festival. On Saturday our group got to participate in photo-ops with storm troopers, Optimus Prime, Ghost Busters, costume contests, comic making workshops, YouTube star Ali-A's Q&A, and more at the Philadelphia Comic Con for kids.

Our MOST POPULAR weekend adventure is coming up in December. We will enjoy America's LARGEST INDOOR WATERPARK at Kalahari Resort in the Poconos. With 220,000 square feet of indoor space, it is a great adventure for our entire Camp Sequoia family. There are still spaces available for this adventure, but we anticipate that this trip will fill up quick as we have experienced in previous years, so **contact Reema if you want to sign up!**

## Aloha Adventure 2020

We are excited to announce that Camp Sequoia is again headed to the Hawaiian islands in 2020. With availability for campers 15+, this trip has been wildly popular and combines the best of local flavor and culture with must see experiences. This small group experience lets older campers have an interactive Pacific adventure fueled by their input and interests to customize the experience based on their interests. Last year, we had a deep sea fishing trip and explored steam vents, Volcano National park, waterfalls, and beaches. We popped over to Maui for a day and visited the Ocean Marine Center. We snorkeled and saw several historical sites and cultural festivals. We sampled local cuisine and were invited to a luau.

In 2020, in addition to Oahu and the big island of Hawaii, we are excited to announce that we will be going to the island of Kauai as our optional adventure, where we will be visiting the Garden Isle, Hanalei Bay, the Grand Canyon of the Pacific, and the Na Pali Coast.

Director Lux, founder of the Hawaii Volcanoes Educational Institute, leads this trip to explore the Aloha spirit of the islands and build social skills through an authentic lived experience. Details will come of specifically to families of campers who will be 15+ next year in the next month, and enrolled full-season campers receive a discounted cost for this trip. Please call or email with any questions.

## We Are Scheduling Regional Open Houses!

If you are able to host an open house event and help with getting the word out to interested families in your area, we'd love to hear from you. We are happy to fly or drive to see you! We also do school and local community events, so if you have an event you think we would be interested in attending, PLEASE LET US KNOW!

## Fancy Cruise News

Camp Sequoia is looking at going on a cruise February 14th-17th (over Valentine's Day weekend) to Nassau in the Bahamas, as Camper and family feedback has indicated a desire to offer a longer Sequoia program during the academic year. Knowing that school schedules are often different and not wanting to take away from family holiday events, we would love parent feedback! We would be leaving the morning of the 14th to fly out to Florida, where we would depart from Port Canaveral, Florida on the Carnival cruise line on the Liberty. After an evening of enjoying the entertainment options on the ship, from the pool to the game shows to the fun in the sun, we will arrive in Nassau the next day, and have a full day to bask in all that the Bahamas has to offer, from the beautiful beaches and local flavor to the provided shopping and entertainment. We will be getting back from the tropical paradise on Monday, February the 17th. The estimated cost for this including airfare is \$1,785 and without airfare (you provide your own) is \$1,370.

Let us know what you think! You can fill out our survey here to let us know if you would like to go or think it would be better idea to have the cruise at a different point in the year:

## Camp Updates

- ◇ Because of overwhelming interest last summer, we will be adding an official D&D (Dungeons and Dragons) major this upcoming summer so our campers can experience fun group collaboration while working as a team and navigating social development-based adventures
- ◇ We will be getting a new website, thanks to our weekend trip campers who helped preview our new virtual tour.

## CHADD Conference

CHADD is an organization dedicated to improving the lives of those affected by ADHD. We are excited to be exhibitors at the 31st annual conference in Philadelphia, which will be their largest conference to date. We enjoy the opportunity to connect with other experts and innovative practitioners specializing in the field of ADHD. To learn more, check out their website here:
