March Mystery Adventure

We are excited to release our poll for our upcoming March Adventure, where we will be letting our campers decide where we are going on our next trip. The options below were suggested by attendees from our previous trips. Email Reema before 2/20 to cast your vote!

1. York and Hershey Explorer with rock climbing
2. Adventure Park USA
3. Houdini Museum and Scranton Environs

Dylan, who was in our Freshman Division last summer, was the winner of our costume contest during Halloween! His awesome costume, Doug from Liberty Mutual Insurance, was very well done!

Director's Corner

We've been working on some exciting things for summer 2023 and have enjoyed seeing campers new and old on our weekend adventures. Our next newsletter will feature camper and staff updates, so if you would like our community to share your successes and adventures, please email us and send a photo (if possible) and we will be sure to include you. Finally, for those of you who follow us on Facebook and read our blogs, FlapJack, our camp dog will begin this month to offer his insights through a periodic update feature called "Pawsitive Ideas"; Be sure to check out his wisdom later this month.
