Alumni Adventure

MAY 17TH - MAY 19TH

We are headed off on our annual Spring Alumni adventure. With Sequoia graduates from around the county coming back to see friends and favorite staff, the long weekend is sure to be one of adventure. Check out our facebook page for some trip photos.

Our next Alumni adventure is in conjunction with our traditional Winter reunion in December to Kalahari Indoor waterpark. This Dec. 6th-8th event is open to all current and alumni campers and typically fills very early. Look for Reema to send details mid-summer about excursion.

2nd Session Scripts Deadline

We wanted to remind everyone that the deadline for second session families to get scripts in to the pharmacy and to submit their medication form on their parent portal is on **May 21st**. For any families that still need to get these items taken care of, we highly recommend consulting our medication guide and your parent portal to find the resources to get these things taken care of before the 21st:

BBQ & Pool Party

When? ♦ June 8th

Where? ♦ Briarwood Day Camp

Time? ♦ 3:30-6pm

Bring? ♦ Swimsuits!

Who? ♦ Enrolled camper families

How? ♦ **RSVP HERE!**

We are very excited to open up RSVPs for our pre-camp pool party, where enrolled campers who are geographically able are welcome to come for an afternoon of activities with other camp families and members of our leadership team. Please RSVP above if you are interested in attending to get more details!

Director's Note

As the summer is upon us, we have very limited single digit availability in our Girls program and are filling quickly for our Hawaii adventure at the end of camp for our older campers. We are excited about our expanded archery program for this summer, as well as some new division trips and excursions. Flapjack, our four legged friend, is getting excited for camp as well. He can't wait to see everyone at camp, and our pool party on June 8th if geography allows, for an amazing summer.

Community Highlights & Updates

- Jesse B. made the honor roll in school this year!
- A few of our alumni couldn't attend our upcoming trip...because they had dates to prom this weekend! We hope they have an amazing time
